Located wholly partly in a 500-year floodplain (Moderate Flood Hazard Area-Zone X (shaded))

Located wholly partly in a floodway

Located wholly partly in a flood pool

Located wholly partly in a reservoir

If the answer to any of the above is yes, explain (attach additional sheets if necessary):

*For purposes of this notice:

"100-year floodplain" means any area of land that:

(A) is identified on the flood insurance rate map as a special flood hazard area, which is designated as Zone A, V, A99, AE, AO, AH, VE, or AR on the map;

(B) has a one percent annual chance of flooding, which is considered to be a high risk of flooding; and

(C) may include a regulatory floodway, flood pool, or reservoir.

"500-year floodplain" means any area of land that:

(A) is identified on the flood insurance rate map as a moderate flood hazard area, which is designated on the map as Zone X (shaded); and

(B) has a two-tenths of one percent annual chance of flooding, which is considered to be a moderate risk of flooding.

"Flood pool" means the area adjacent to a reservoir that lies above the normal maximum operating level of the reservoir and that is subject to controlled inundation under the management of the United States Army Corps of Engineers.

"Flood insurance rate map" means the most recent flood hazard map published by the Federal Emergency Management Agency under the National Flood Insurance Act of 1968 (42 U.S.C. Section 4001 et seq.)

"Floodway" means an area that is identified on the flood insurance rate map as a regulatory floodway, which includes the channel of a river or other watercourse and the adjacent land areas that must be reserved for the discharge of a base flood, also referred to as a 100-year flood, without cumulatively increasing the water surface elevation of more than a designated height.

"Reservoir" means a water impoundment project operated by the United States Army Corps of Engineers that is intended to retain water or delay the runoff of water in a designated surface area of land.

7. Have you (Seller) ever filed a claim for flood damage to the property with any insurance provider, including the National Flood Insurance Program (NFIP)?* Yes No. If yes, explain (attach additional sheets as necessary):

*Homes in high risk flood zones with mortgages from federally regulated or insured lenders are required to have flood insurance. Even when not required, the Federal Emergency Management Agency (FEMA) encourages homeowners in high risk, moderate risk, and low risk flood zones to purchase flood insurance that covers the structure(s) and the personal property within the structure(s).

8. Have you (Seller) ever received assistance from FEMA or the U.S. Small Business Administration (SBA) for flood damage to the property? Yes No. If yes, explain (attach additional sheets as necessary):

TREC No. 55-0

9. Are you (Seller) aware of any of the following? Write Yes (Y) if you are aware, write No (N) if you are not aware.

- Room additions, structural modifications, or other alterations or repairs made without necessary permits or not in compliance with building codes in effect at that time.
- Homeowners' Association or maintenance fees or assessments.
- Any "common area" (facilities such as pools, tennis courts, walkways, or other areas) co-owned in undivided interest with others.
- Any notices of violations of deed restrictions or governmental ordinances affecting the condition or use of the Property.
- Any lawsuits directly or indirectly affecting the Property.
- Any condition on the Property which materially affects the physical health or safety of an individual.
- Any rainwater harvesting system located on the property that is larger than 500 gallons and that uses a public water supply as an auxiliary water source.
- Any portion of the property that is located in a groundwater conservation district or a subsidence district.

If the answer to any of the above is yes, explain. (Attach additional sheets if necessary): _____

- 10. If the property is located in a coastal area that is seaward of the Gulf Intracoastal Waterway or within 1,000 feet of the mean high tide bordering the Gulf of Mexico, the property may be subject to the Open Beaches Act or the Dune Protection Act (Chapter 61 or 63, Natural Resources Code, respectively) and a beachfront construction certificate or dune protection permit maybe required for repairs or improvements. Contact the local government with ordinance authority over construction adjacent to public beaches for more information.
- 11. This property may be located near a military installation and may be affected by high noise or air installation compatible use zones or other operations. Information relating to high noise and compatible use zones is available in the most recent Air Installation Compatible Use Zone Study or Joint Land Use Study prepared for a military installation and may be accessed on the Internet website of the military installation and of the county and any municipality in which the military installation is located.
